

EVACUATION RESOURCE INFORMATION

In the event an evacuation on Bowen Island, do you have the resources and equipment to assist in the evacuation of horses, livestock and/or hobby farm animals? Do you have room to accommodate household pets? If so, please provide some information so that I can compile a list for the emergency personnel in our area.

If yes, please specify: _____

Please include any addition information or instructions on the bottom of this form

Thanks so much for your help with this Evacuation Resource Information. At this time, the provincial or municipal governments do not provide emergency assistance for horses, livestock or hobby farm animals, so it is up to us, individually, to put this together and be prepared in the event of a disaster.

Planning ahead is the key to keeping yourself and your companion animals safe during a disaster.
